

on, probably to cover the other raises.

2010 HRS, All seems quiet, he may be waiting for an opportune time to exit the house or he may have already left.

Please note: NO CAR TODAY! Meaning that the beat up purple VW bug is not used today. He came here on foot trying hard not to be detected at all. By strange coincidence I happened to glance out the window when a young person on a bike came in the parking lot and exited just as quickly glancing around looking for something. After he left, 3-5 minutes later came the fire truck on front door at AP:35. then the whole thing started.

2015 HRS, Woman who rents apartment exited and left on a bicycle having a purple back pack on her back. She was wearing a light purple shirt...
