Subject: The latest from Local Chico "intelligence gangster" news...

The same cafe where I play chess three times a week now is frequented by a "no name" individual fronting a friendly no worry indian "no earthly possession" easy going personality behind which the individual is a predator of the telephatic type, having the ability to (a) send bolts of telephatic lightning or (b) straight up hypnotize weak mind or unprepared naive victims, saw him play chess with people and walk away with them, they looked like comatose sheep incapable (without permission) to act out of their own free will, probably a group living off the ATM cash withdrawals of such hypnotized victims... the guy tried this on me and I am not playing him chess ever again, he did not succeed and since that time whenever he sees me he sends telephatic bolts of lightning that are painfull and exausting, designed to loosen my grip on mental togetherness... Today after he showed up at the cafe I got up and left withou even playing a single game...

If he ever come near me again I am taking his digital photo...

I have seen him talk to young attractive females whom I now consider his accomplices in victimization... hence will not be dating any girls for a long time...
