Subject: Latest with Campbell Commons CIA - MKULTRA - Apartments
 No Kidding,

After I fall asleep, but lately even before I fall asleep, more than one radiation source gathers around my head and chest area, from above, bellow and sideways to my apartment all sources attempting to HACK the mind and steal the soul and put me into a mind controllable trance....

Frustrating sounds are heard when unsuccessful runs end in major disappointments for attackers...

Other times simply more torture is applied to those unable or unwilling to phsycicly attack me...

And all of these activities right here in good old Chico California...

One does not even have to travel to the USSR or China or Israel... (for they will seek you out)
