Subject: There is ample evidence to support this ...
What if...

So right after moving in 2006 February this older New York (transplant-I have seen him in 1990s here in Chico) gentleman asked me if I was "of the faith" commonly asked from one who is not certain if the other person is JEWISH... I recognized this and told him "NO I AM CATHOLIC NOT JEWISH" he then asked this again, saying it applies to all religions and that he is not jewish... Despite... Anyway, so that was about two three weeks after moving in FEB 2006, the same time he had me visit and had me work on his computer during which he pointed out two neighbors of which are HOMOSEXUALS and basically an innocent way to ask me what my feelings were on that topic and the status of my sexuality without coming out as he being a HOMOSEXUAL... Then a little while after this I met the woman who would find out first hand that I am a heterosexual (jewish-FBI-lady) ...

Then the old jewish guy pretending to be christian was walking around with a manila folder about 1-2 inch thick asking questions that he could never come up with on his own...

Then in SEP-2006 my soul seems to be attacked by powerful radiating or soul displacing-sucking-stealing magnetic forces...

But while all this is happening various smokes, bad odors, and regular radiation from ceiling area are targeting me while sleeping and when awake...

Then someone is like placed under shower for three or four days that can be heard next to ground floor entry door... "water-boarding" I guess...

Then many times seems like sexual torture going on above attic space, and in 22-FEB-2007 it culminates with their death, shortly after this fermoldahide smells and vinegar smells, possibly cooking or melting of the victim who was tortured for months and was executed just recently in the attic space above just west of my apartment...

Then the increased radiation's to my head and body, almost all the time, now more than one person above the apartment in the attic space...

Most definitely counterintelligence forces of JEWISH or plain American type from Air Force OSI or one of many JEWISH groups feeding people, information or leads and clues to American intelligence organizations...

This is not to distrust George or anything but he could be up there radiating me, he seems JEWISH to me, or he could have been killed by his JEWISH controllers... But anything can be anything else in these types of counterintelligence activities...
