**Subject:** No Chess Thursday (tonight) went jogging instead...  
 Once again that American gypsy "Purple Haze" or "Purple Pawn" down to earth no earthly possession telepathic transmitter of mental lightning bolts targeted at me was at the cafe and after one or two games I left...

CHICO IS AN INTELLIGENCE COUNTERINTELLIGENCE COMMUNITY

And this looser is a part of that structure, I am NOT, in fact I have easily become their target because of my sharing with the world my observations through my websites... These people do not like publicity, which is what I am doing with what I find...

So I went jogging...

And it is for the better anyway, the cafe is full of people I hate seeing this often anyway, lesbians, parading in undignified manner, not a single woman worth marrying can be found in there, or they think after ten years of "dating" it is time to settle for the "right" guy and start a family, modern American woman would murder their baby for convenience (abortion) and have two dogs for love and companionship... besides the cafe has hidden rooms (storage) behind the bathroom 50% mirror possibly recording or observing everyone using bathroom, and for most of 2007 from under the wooden floors I was radiated while sitting reading or playing chess, the dumbassess don't think that one can feel these things or would mention it later in public... etc...

"Zappa" and "Dirty Duck" whom Adam and I met in late 1980s in Durham on "Good Speed" street through CB radio was just the tip of the counterintelligence community for this area... it also includes channeling spirits from future and ritual murders for intelligence purposes... somehow it is all very closely tied together here in Chico... in fact I would not be surprised that between RAF Greenham Common UK and Castle AFB assignments I was nabbed and my body was used by (other-spirits) the intelligence scumbags local to Chico for blackmail purposes, all that in 1990 before I event went to my next assignment...

So running was the ticket today!!! and running was good!!!
